COMMON SENSE WHEN WE NEED IT MOST

Washington politicians don't understand what they've done to our country. Their rules are killing jobs and the debt they've racked up has become a burden our families can't afford.

That's why **Pat Tiberi** has taken the lead to cut spending and put our country back on solid ground.

He voted to cut hundreds of useless government programs.

Voted for the largest spending cuts since World War II.

Consistently fought for balanced budgets.

He's even cut his own office budget by more than \$2 million during his time in Congress.

And though Washington politicians may not always agree, it's good to know **Pat Tiberi** is
